Dear Sir/Madam,

Increase the package for Susicatz Trips

Currently I am doing under below packages.

- To pick the customer from Shangri-La hotel to Brandix Ratmalana Rs 12000 (for 100 Km)
- To pick the customer from Shangri-La hotel to Brandix Welisara or any other locations Rs 14000 (for 100 Km)

But due to the current situation I am having difficulty to adhere to this package. Following are some of issues I am facing for this assignment.

- I have to spend more than 15 hrs for the day with the customer.
- I am picking and dropping the customer during peak hours when having high traffic.
- I have to be online all day to communicate with customer.

Hence please requesting the above package increase as below.

- To pick the customer from Shangri-La hotel to Brandix Ratmalana Rs 16000 (for 100 Km)
- To pick the customer from Shangri-La hotel to Brandix Welisara or any other locations Rs 18000 (for 100 Km)

Finally, I kindly requesting the approve the above package considering above.

Thanks, You

Yours faithfully
